The prestige and exclusivity of living in a unique building overlooking the Mediterranean and completely immersed in an exotic backdrop. A place where the frenzy of the city seems a long way off. A dreamlike and ethereal dimension captivates the senses. Natural and exotic elements, just like works of poetry, have been harmoniously collected to narrate idylls.

There is calm, stillness and silence all around. In the distance the sound of the sea, the chirping of cicadas, the light sea breeze. L'Exotique is an **oasis**, the ideal place for indulging in pleasant moments of relaxation gently caressed by the wind and warmed by the sun's rays. A natural, open air extension of the living area, the terraces, in different shapes and sizes, create **evocative architectural weave** of sloping and sleek volumes. In praise of the surrounding nature.
